For call charges please see here

Early termination charge

Payable when your contract is terminated during the minimum contract period and calculated as follows:

70% of the recurring monthly broadband charge (as stated in your order confirmation) multiplied by the number of full months remaining of the contract minimum period as at the date of termination.

Example:

Recurring monthly charge: £21.99

Number of remaining months of contract minimum period: 6

Early termination charge = £92.36 (70% of £21.99 multiplied by 6)

Moving home charges:

24-month contract

0 - 12 months into contract - £50 install charge

18 months plus - no charge

12-month contract

0 - 8 months into contract - £50 install charge

8 months plus - no charge

18-month contract

0 - 12 months into contract - £50 install charge

12 months plus - no charge
