4. **Charges – How much do I pay?**

- 4.1 The standard **Charges** for **Services** are listed in the **Price List** and/or **your Call Plan**.
- 4.2 **Charging** will begin on the date the **Service(s)** is/are first made available for **your** use.
- 4.3 **We** work out the cost of each **Call** by calculating the duration of the **Call** (rounded up to the nearest 60 seconds) and then multiplying the duration of the **Call** by the applicable rate as set out in your **Call Plan**. Different rates apply depending upon the destination of **your Call** and the day and the time of day the **Call** is made and **your** chosen **Call Plan**. **Call Charges** are rounded up to the nearest £0.01 and may be subject to a minimum **Connection Charge**. The various rates, discounts and allowances (if any) and any minimum Connection Charges that apply to **your** chosen **Call Plan** are set out in **your Call Plan** or the **Price List**. **Call Charges** are generally payable monthly in arrears.
- 4.4 **6G Line** charges are generally payable monthly in advance and are fixed (i.e they are not dependant on the amount of use).

- 4.5 **Charges** will be calculated in accordance with details recorded by or on behalf of **6G**.
- 4.6 **We** reserve the right to increase the **Charges** but should **we** do so **we** will give **you** at least one calendar month's prior notice in writing of any increase in the price which is likely to be to **your** material detriment, unless the price increase results from **you** changing the **Service(s)** or is required for legal or regulatory reasons. **We** will also let you know about any other price changes in writing or by putting a notice on the **Website** or through another suitable method. If **we** increase the charge for the **6G Line** during the **Contract Minimum Period** (other than for legal or regulatory reasons) this is likely to be to your material detriment meaning **you** may cancel **your Call Plan** without payment of any **Early Termination Charge** within 30 days of notification of such an increase being given. If **you** do not cancel within the 30-day period **you** will be deemed to have accepted the price increase and **your** right of termination under this condition will be lost. If **6G** makes changes to the **Call Charges** within **your Call Plan** these changes are unlikely to be to your material detriment, but where **we** consider they are, **we** will notify of the changes in accordance with this condition and **you** will have the right to end **your** contract without being required to pay an **Early Termination Charge** if **you** do so within 30 days from the date notice was given.
- 4.7 As an anti-fraud, credit control or any other appropriate measure or reason, **we** may set a call spend limit on **your 6G** account, which may vary from time to time to time. Details of any limit are available upon request. If **you** exceed this limit **you** will remain liable for all **Charges**. However, **we** reserve the right, but are not obliged, to restrict or suspend part of all of the **Service(s)** without having any liability to **you** in the event of the limit being exceeded. **We** may also change **your** payment terms, including but not limited to requesting a pre-payment on account, depending on **your** call profile, payment method and/or payment history or in any other circumstance if **we** consider it reasonable.
- 4.8 Except as provided in condition 4.9 below, **you** are responsible for all **Charges** incurred as a result of your use of **6G Telephony Services** and the use of these services by any person via your account.
- 4.9 **6G** will not hold **you** responsible for **Charges** resulting from any unauthorised use of **6G Telephony Services** made via **your** account if such use results from **6G's** negligence or breach of these Conditions. However, and for the avoidance of doubt, should such use occur you will not be entitled to a refund of the whole or any part of any "all inclusive" **Charge** (for example, a fixed Charge that is not linked to the usage of **6G Telephony Services** during the relevant period).
- 4.10 **You** will receive an electronic bill every month via **My Account** setting out the **Call Charges** made in the preceding billing period and, if applicable, any other **Charges**, including call package charges or **6G Line** charges for the following month. Notification of **your** bill will be sent to the e-mail address **you** have provided. **You** will then be able to view **your** bill online by accessing **your** account at www.showmybill.com. **Your** account will be password protected. **Your** bill will contain a summary of the **Charges**, including **Call Charges** incurred during the billing period any **6G Line** charges, if applicable. Itemised and paper bills are available upon request but may attract an additional charge. Large print or Braille format bills are available upon request and without charge by contacting **our** Customer Services department.
- 4.11 **You** must pay the **Charges** by direct debit or by credit card (additional handling charges may apply) within 14 days of the date of **your** bill.
- 4.12 **We** may alter **your** Direct Debit or credit card instruction if the price of **your Call Plan** or **6G Line** charges change for any reason or to collect payment of any Early Termination or other Charges that may become due and payable.
- 4.13 **6G** may suspend and/or terminate the whole or any part of the **6G Telephony Services** should **you** fail to make payment in accordance with the terms of **your Contract**. If **we** suspend **6G Telephony Services** in whole or in part for reasons of **your** non-payment or other breach of **your Contract** and subsequently resume the **Service(s)** **we** reserve the right to charge **you** a **Reconnection Fee** at the prevailing rate set out in the **Price List**.
- 4.14 If **you** dispute any of the **Charges** on **your** bill, **you** must notify **6G** within 14 days of the date of **your** bill giving full reasons (preferably in writing) for the dispute. **You** must pay any undisputed **Charges**.
